The World Scout Jamboree is a global event which occurs every 4 years. In 2019, over 40,000 scouts from nations all across the world are travelling to West Virginia. It is a life changing experience where young people do hundreds of different activities. Our scouts and explorer were successful in a selection process and are really looking forward to representing Claygate. Please come along, and bring your friends, to a great night out and help them get to America.
